

Seventh grade Social Studies teacher, Mrs. Susan Campbell was recognized for her outstanding community service acts that include participating in the Crop Walk, donations to the Cancer Society, the Heart Association, and the Diabetes Association, organizer and contributor to the Marion Stegman Fund and is participating with her team on a service learning project to support those with cancer.

The students involved in NCBI (National Coalition of Buildings Institute) presented information and demonstration about their visits to the 5th and 6th grade homerooms to teach the concepts of stereotyping and how to be an ally.

Mrs. Lynn Sten, retired second grade teacher was the keynote speaker and spoke about "What Arbor Day Means". Mrs. Sten honored this year's Middle School retirees; Mrs. Susan Campbell, Mrs. Judy Engel, Mr. John Kilcer (not present), Mrs. Mary Kilcer (not present) and Mrs. Denise King

The Middle School Choir and staff performed and a tree planting ceremony took place with the retirees and their family and friends. After lunch, provided by the parents and CMS PTSA, students and staff returned to the auditorium for a Variety Show and slide show of pictures taken throughout the year. Students then went to the gymnasium for Arbor Day activities.
