

The following is the language as it will appear on the ballot:

PROPOSITION #1

Shall the Board of Education be authorized to construct additions to and reconstruct various school district buildings and acquire equipment at a maximum cost of \$4,217,283, expend \$1,105,578 from the Capital Reserve Fund, and, taking into account the amount expended from the Capital Reserve Fund, State aid and federal grants, levy a tax to be collected in annual installments in the sum of not more than \$3,111,705 (plus the interest due on any District obligations), with District obligations to be issued in anticipation thereof?

PROPOSITION #2

If Proposition #1 is approved by the voters, shall the Board of Education be authorized to replace the High School football field poles and lights at a maximum cost of \$320,000, and expend such sum from the Capital Reserve Fund?
