

(The front of tomorrow's quiz will look quite similar to this.)

Ray's Driving Range received a \$856 bill for golf balls, dated July 9, with sales terms 3/10, 1/15, n/30. A 6.5% penalty is charged for payment after 30 days. Find the amount due if the bill is paid (a) on or before July 19; (b) on or between September 20 and September 24; (c) on or between July 25 and September 8; and (d) on or after September 9. **SHOW ALL YOUR WORK!!!**

a)

b)

c)

d)
